

IN WILL, DIRECTS EARLY CREMATION MINUS A FUNERAL

Manning P. Brown, Late
Of Sellersville R. D.,
Names Widow Heir

THE SHELLEY ESTATE

Herbert Z. Eisenhart Names
Four Children To
Share Property

DOYLESTOWN, July 8 — In the will, Manning P. Brown, Hilltown township, Sellersville R. D., directed that his body be cremated as soon after death as possible, with no casket provided and no plans for a funeral service.

The testator, who wrote his will August 31, 1943, in which he named his widow, Claire A. Brown, the sole beneficiary and executrix, wrote the codicil April 18, 1945. He died June 5 and left a personal estate of \$1,000.

Frank X. Shelley, late County Seat resident, in a holographic will written on one sheet of paper, named his widow, Margaret Shelley, beneficiary of his \$2,000 personal estate. The testator died May 21 and his widow is the executrix. The will was dated October 29, 1928.

With the exception of a box of tools which are in a desk in the blacksmith shop for Henry, four children will share the \$3500 personal and \$5,000 real estate holdings of Herbert Z. Eisenhart, Perkaskie, Henry Eisenhart, 124 South Fourth st., Perkaskie, was named the executor. The testator, who died June 1, and left real estate located at 374 Walnut st., Perkaskie, directed that four children, Maggie Gruver, Lottie Snyder, Henry Eisenhart and Gladys Bergey, should be the heirs. The will was dated June 12, 1942. The testator was a blacksmith for many years at Weiss.

The widow, Mary Ruster, Perkaskie, RD 1, will inherit the \$1,000 personal and \$10,000 real estate holdings of George F. Ruster, Bedminster twp. The will was written Dec. 29, 1930, and the real estate located in Bedminster twp. includes 63 acres. The testator died March 14, his widow also being named executrix of his estate.

Letters of administration in the estate of Anna L. Hinkle, New Britain twp., were granted to Lester Hinkle, Doylestown, RD 1, amounting to a personal estate of \$400 and one-fourth interest in real estate in New Britain twp.

The beneficiaries include three sisters, May Condit, Doylestown, R. D. 1; Rae Hinkle, Chalfont, RD 1, and four brothers, John, Sellersville; Joseph, Doylestown, RD 1; Walter, Silverdale, and Robert, Perkaskie, RD. The decedent died May 28.

The pool, dedicated in memory of those who died during World War I and II, was sponsored by the Rotary Club. The dedicatory address was by Ray Z. Hartman, president of the club.

Remarks regarding the general construction of the pool were made by Richard Strayer, superintendent of the recreation program in the borough, who also announced a set of regulations which have been adopted. According to the rules, children up to 12 years of age may use the pool, providing they are accompanied by an older person. The dedication was followed by a lollipop scramble.

Quakertown Electrical System Is Improved

QUAKERTOWN, July 8 — The electrical system of this borough has been augmented by the installation of a third 3,000-kilowatt hour turbine.

John K. Boorse, borough secretary and chairman of the lighting committee, who reported that the new machine has been put into operation, said the cost of alterations to accommodate the additional equipment amounted to close to \$150,000.

The turbine, which was ordered by the borough two years ago, has been needed so that necessary repairs can be made to the two other machines.

Mr. Boorse said the turbine can be operated for 10 years without repair.

GLEANED BY SCRIBES

Funeral was held this week for Jacob K. Esser, 65, well-known Sellersville business man, who died Sunday in Quakertown hospital.

A native of Lexington, he was the son of the late John and Kate Kletzing Esser. He moved to Sellersville 43 years ago. For 33 years he conducted a newspaper agency at Sellersville. He was active in the business until his illness. A member of the St. Michael's Lutheran Church, Sellersville, he was active in the Amford and Harleysville Beneficial Societies. In his youth, Mr. Esser was well known as a baseball player in the North Penn area.

He is survived by his wife, Dora; a daughter, Mrs. James Minucci; a son, Jacob Esser, Quakertown; a brother, John Esser, Quakertown, and three grandchildren.

Almost 2,000 residents of Quakertown and nearby points participated in the Independence Day celebration, when the children's wading pool in Memorial Park was dedicated.

The pool, dedicated in memory of those who died during World War I and II, was sponsored by the Rotary Club. The dedicatory address was by Ray Z. Hartman, president of the club.

Remarks regarding the general construction of the pool were made by Richard Strayer, superintendent of the recreation program in the borough, who also announced a set of regulations which have been adopted. According to the rules, children up to 12 years of age may use the pool, providing they are accompanied by an older person. The dedication was followed by a lollipop scramble.

Abraham Woler Plans
A Journey to Israel

A trip to his native land is to be made by Abraham Woler, Mill street merchant. Mr. Woler will leave LaGuardia Airport, New York, on Sunday evening for Israel where he will remain for a month.

When Mr. Woler resided in that part of the world during his youth it was known as Palestine. He came to the United States 28 years ago. This is his first trip back to his native land. He plans to visit his home city, Tel Aviv, and to spend the month with his brother, and with brothers-in-law and sisters-in-law in Israel. The localite will land at Lydia Airport in Israel.

VOTED PERMIT FOR
A PUBLIC AUCTION

Morrisville Board Favors
Application of Jacob
Schese

OUTLINES REASONS

MORRISVILLE, July 8 — A permit was voted issued, last night, to Jacob Schese, Woodburn, to operate a public auction on property which he owns at E. Bridge and S. Delmorr ave. The Morrisville Board of Adjustment held a hearing upon the subject in borough hall.

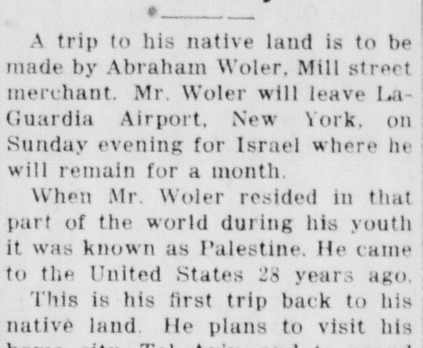

The hearing evolved after the board, upon the advice of Borough Council, rescinded a former permit on the ground that this type of business was not covered in the borough's zoning ordinance.

Opposition to granting the permit was led by E. Dillwyn Darlington, counsel for the Morrisville Business Men's Association, and several members of the group. They contended that the auction constituted a safety hazard in adding to the traffic congestion on the streets bounding the property. The question of unfair tax assessments also was brought out.

Dr. Ralph Fox, chairman of the adjustment board, said that the board could not consider matters of traffic congestion, unfair tax assessments or safety hazards in reaching its decision because they were problems for the police and other borough departments and out of the board's jurisdiction.

"Our only concern is whether the business in question is legitimate or obnoxious to the community," he said.

NEW POLICE CALL SYSTEM IS NECESSARY

Perkasie Council Advised
That Change Will Have
To Be Made

COMMITTEE IS NAMED

PERKASIE, July 8 — It was revealed at a meeting of the borough council that a new system of calling police in an emergency, at night, will have to be devised. The change is due to a change in the town's electric system.

Presenting a report for the electric light committee, Fred Weaver announced the installation of a third transformer to equalize the load on the two other transformers. The new transformer is equipped with what is known as automatic photo cells. These turn off and on the street lights automatically.

Heretofore when the services of the police were required at night, the street lights were blinked, but with the installation of the new transformer, blinking of the street lights is impossible.

A committee was appointed to look into the matter of providing a two-way telephone system for the police cars.

HOLIDAY PICNIC

The Holy Name Society of St. Michael's Mission, Torresdale, held a Fourth of July picnic and "doggie" roast on the farm of Mrs. Gertrude Obiedzinski, Rogers road. Entertainment included quarts, pinochle games, baseball game for the younger boys, and featuring a game between the husband and wives. Each family took a basket lunch, the Society furnished the beverage and "hot dogs." The affair was greatly enjoyed by the 200 attending including the pastor, the Rev. George Wierzals.

ATTENDING CONVENTION

CROYDON, July 8 — The 25th annual convention of the Veterans of Foreign Wars Women's Auxiliaries is being held in the Benjamin Franklin Hotel, Philadelphia, July 7th, 8th and 9th. BIRD LOSES OUT

(By "The Stroller")

Attention of passersby was attracted at the corner of Mill and Radcliffe streets yesterday to a lifeless bird perched on the lower part of the windshield wiper of an automobile.

Although the bird had evidently struck with sufficient force to kill it, the windshield was not broken.

Its wings were outspread against the glass, giving the appearance of a stuffed bird.

SWIM PROGRAM TO START AT SILVER LAKE, MONDAY

The "Learn to Swim" program, sponsored by Bristol Y. M. C. A. and Bristol Chapter of the American Red Cross, will get under way at two p. m. on Monday, July 11th, on the north shore of Silver Lake.

"Since we have no control over the Neshaminy Creek or Silver Lake we cannot be responsible for the condition of these swimming facilities," state officials of the YMCA and the Red Cross. "We feel the need of these classes because of the great number of drownings that occur each year in this area."

Any who have not as yet made reservation may do so by calling J. Bloom, Bristol 4805.

AUTHORIZE NAMING OF WORKER FOR BLIND

An Experienced Prevention
Worker To Be Employed
In Bucks County

A BIG STEP FORWARD

DOYLESTOWN, July 8 — The appointment of an experienced blindness prevention worker for Bucks County was authorized at a meeting of the officers and directors of the Bucks County Branch of the Penna. Association for the Blind.

This is considered a decided step forward in the progressive program for the blind in Bucks county that has been under the direction of C. William Lohler, executive director, going on the fifth year.

The meeting was held at the Bucks County Branch headquarters on South Main street, and was well-attended by officers and board members, and presided over by the president, Frank L. Worthington. President Worthington stated that it has been the goal of Executive Director Lohler and his workers to be able to add a fully-equipped blindness prevention worker to the staff.

The new staff member will most likely be a trained nurse. Her duties will be to visit schools, factories and work entirely along the lines indicated.

Board members were informed that by saving a person from becoming blind, the people of the county are saved approximately \$49,000, the amount that it costs to keep a blind person over his life expectancy.

Attending the meeting was Norman Foote, of New Jersey, founder of the Foote System of raising contributions annually for the blind. The Bucks County Branch renewed their contract with Mr. Foote for the coming year.

Various reports submitted show that the Bucks County Branch is making rapid progress and is doing an unusual amount of fine work with the blind of the county.

PROPOSE NEW MEMBERS FOR CORNWELLS COMPANY

CORNWELLS HEIGHTS, July 8 — Forty-one attended the meeting of Cornwells Fire Co., No. 1, last evening, in the fire station. Five new members were proposed.

A new fire station building project was discussed.

The chief reported two house fires, three grass fires and two automobile fires in June.

Motion pictures of the county firemen's parade were shown by Samuel Lockard.

NOT AUTHORIZED TO SOLICIT ADS. FOR POLICE ASS'N HERE

According to the Bristol police an unidentified man has been soliciting advertisements in this area, presumably for the Fraternal Order of Police.

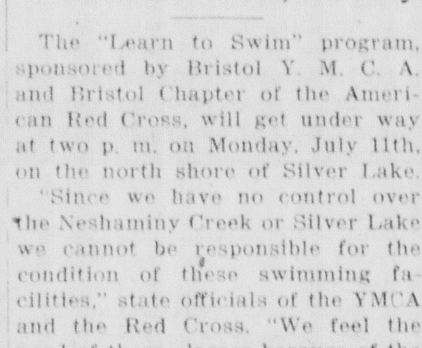

The Bristol police have not authorized any such solicitation, and request all persons approached to inform the police at once.

LIFEGUARDS SAVE DROWNING DEER

CHASED INTO PACIFIC OCEAN waters by dogs, an exhausted and frightened three-point buck deer is rescued and given oxygen through a rubber mask by Santa Monica, Calif., lifeguards Bruce Kidder, Alfred Hart and Eddie Hoffman. The strange rescue was staged when the animal, too tired to swim, collapsed. Resuscitated by artificial respiration, the deer was returned to his native hills. (International)

NEARLY 100 SCOUTS ARRIVE AT CAMP

Fourth of July Celebration
Featured by Many
Events

VESPER SERVICE HELD

Camp Ockanickon, the Bucks County Council Boy Scout Camp at Point Pleasant was busy place when 98 Scouts and nine leaders from eight Troops of the Council arrived at camp.

After checking in, vesper service and the evening meal, a campfire was held at which the members of the staff were introduced and they told of their duties and responsibilities in camp. This was followed by songs and a campfire by Ralph Stoudt.

The Fourth of July celebration was featured by a rope spinning demonstration by Lester Thomas of the Camping Committee, the Water Carnival, and a series of scoutcraft events. Monday morning a patriotic opening for the camp day was carried out in keeping with the National holiday. The afternoon swimming period was broken up by a wind and rainstorm which demolished the nature tent and straw tent but did not affect any of the tents of campers.

The afternoon series of events was won by Carversville Tr. 64, under the direction of Scoutmaster Charles Hargens and the water carnival, Monday evening was won by Buckingham Tr. No. 59, with Samuel Leaver as Scoutmaster with Tr. 59, Edgely, in second place and Sellersville No. 1 in third place. Continued on Page Three

TAKEN TO NURSING HOME

Mr. Maserroni, of the Bristol House, was taken to a Langhorne nursing home yesterday by Bucks County Rescue Squad.

EGLEY INSTALLED AS PRESIDENT OF ROTARY CLUB

Installation of new officers for the coming year, conference reports a special gavel presentation, and the introduction of one new member highlighted the meeting of the Rotary club at the Elks' Home yesterday afternoon.

William J. Egley, local banker and attorney, was installed as the new club president, succeeding retiring president Warren H. Woodruff. The retiring president was presented with a past-president's pin by Emil Metzger.

Prior to the installation of the new president a gavel of historical import was presented by George Ardrey to the club. The gavel, made by Ardrey, came from a section of the flagpole upon which Abraham Lincoln raised a flag in Philadelphia after being delayed on his trip to Washington for his inauguration. The gavel was accepted by Woodruff for the club and then turned over to president Egley.

Following his installation as president Egley gave an interesting report on the recent district conference of Rotary clubs, held at Beaver College.

A former member, as well as a former president of the Bristol Club E. L. Helwig, now a member of the Philadelphia Rotary Club, introduced the new member, W. B. Crocker, plant manager of the Bristol plant of the Rohm & Haas Company.

Other new officers of the local club include: Raymond J. Sobatzki, first vice-president; Harold N. Crocker, second vice-president; Telford F. Eppley, secretary; and Emil Metzger, treasurer. Two new directors, Harold E. Hanson and John T. Leonard, were also introduced, as was the new sergeant-at-arms, John C. Black.

Guests were present for the luncheon session from Bristol, Newtown, Morrisville, Philadelphia and Ambler.

4 NEW TEACHERS ARE SIGNED FOR BRISTOL TOWNSHIP

The Misses Leonard and Stridinger, and Theodore Kratzke Resign

GIVE COAL CONTRACT

The New Salary Schedule Is
Adopted; File Application
With Building Authority

Four new teachers were engaged by Bristol township school directors when they met for the July business meeting in the junior high school building, last evening. There were three teacher resignations accepted.

Those who will teach in the township for the first time during the 1949-50 term are: Thomas Jenkins, mathematics and psychology; Irene Koehra, mathematics and French; Kenneth Harrold, mechanical drawing and science; Mrs. Dorothy Bixler, Latin, French, Spanish and English. The three first mentioned are all graduates of Pennsylvania State College. Mrs. Bixler is from Palmyra, Pa.

Those who resigned from the faculty are: Miss Frances C. Leonard, Edgely school; Miss Margaret Stridinger, art teacher in the township; Theodore H. Kratzke, shop instructor at the junior high school.

Robert Cameron, tax collector, was exonerated from collection of the 1948-49 duplicate; and was appointed delinquent tax collector for the 1949-50 school term.

Contract for bids for coal for the next term was awarded Artesian Coal Company. Five bids for fuel oil were received. Decision as to this award will be made after contract technicality has been cleared up.

A revised salary schedule for teachers was adopted. This was made necessary under Pennsylvania Act 542, which increased the mandatory limit on teachers' salaries from \$50 to \$100 per year.

The secretary was instructed to file application to the State Public School Building Authority. The legislature created the authority for the purpose of constructing, improving, maintaining and operating public school buildings. These facilities are leased by the authority to the school district at an annual rental not exceeding 40 years.

The architect in charge of erecting additions at township schools was in attendance. The addition to the junior high school building is expected to be finished early in August; Edgely addition was reported about completed and is expected to be ready for occupancy in September; Maple Shade addition is said to be practically completed.

EXPERTS SEEK SOLUTION OF BRITAIN'S CRISIS

LONDON — Top British, Canadian and American financial experts plunged into momentous meetings today designed to solve Britain's grave economic crisis. U. S. Abbott met at the Treasury Building with their top aides and advisors after a short courtesy call on Prime Minister Attlee.

TO SEEK DISMISSAL OF INDICTMENT OF COPLON

NEW YORK — Archibald Palmer, lawyer for Judith Coplon, convicted of trying to spy on the U. S. for Soviet Russia, said today he will move Monday for dismissal of the espionage indictment now hanging over his client's head. Palmer said he would argue for dismissal on the ground that FBI agents "testified they never saw anything pass" between Judy and Valentin Gubitchev, Russian engineer employed by the U. N. who was tried with her.

HISS JURY RESUMES DELIBERATIONS

NEW YORK — The Alger Hiss jury, deadlocked for more than five hours last night, resumed today its deliberations on whether the former State Department official passed secret information to a pre-war Soviet spy ring.

A WORLD OF ULCERS

The man who climbs too high makes a good target for lightning to strike, the poet Aeschylus wrote 2,400 years ago. There is plenty of evidence today of how right he was. The late Secretary Forrestal is the most recent example that comes to mind.

More and more persons are victims of hypertension — which reveals itself in such forms as ulcers and other digestive disturbances, arthritis and cancer, heart and circulatory disorders. Hypertension is common in private life, but public men seem particularly susceptible to it.

As General Marshall remarked not long ago: "Ulcers have had a strange effect upon the history of our times. In Washington I have had to contend with, among other things, the ulcers of Bedell Smith in Moscow and the ulcers of Bob Lovett and Dean Acheson in Washington."

He might have mentioned his own retirement, which was caused by another of the manifestations of hypertension. Or he might have mentioned almost any of the national figures he had to deal with as Secretary of State. Among those who are suffering or have suffered from one or another form of hypertension, writes a Washington correspondent, are Stalin, Bevin, Vishinsky, Warren Austin, Herschel Johnson, Eisenhower, Attlee, Queuille, Schuman, Molotov, de Gasperi, Gromyko, Hull, Welles, Stettinius and General Clay. When the Big Four sat at table in Paris, there was hardly an item on the menu that all four could eat or drink.

At that, the sickness is probably less in the men than in the world they have to deal with. Can statesmen stay hale in a world diseased?

DANGER IN LIGHTS

William S. Dutton, writing in Collier's, makes a poor case for traffic signals so far as saving life is concerned. Describing a 15-year test just completed in Wilmington, Del., in which 1,600 intersections were studied, Dutton reports that the danger ratio at light-controlled crossings, in terms of deaths, was more than eight times higher than at unmarked and unguarded crossings.

Both the number and severity of accidents grew as traffic controls moved up from none to slow signs, to stop signs, to lights.

For every one death at unguarded intersections, there were 2.27 at crossings marked slow, 3.51 at stop streets. It was discovered that natural human caution vanished when there were mechanical safeguards.

Motorists at light-controlled intersections seemed to take it for granted that all drivers would obey the signals, not taking into consideration the possibility of someone not seeing a light change, or running through the intersection on the red light.

Lights cannot do the thinking for the drivers who pass them. Mr. Dutton concludes that green lights, intended to be signals for safety, really mean danger.

LEWIS LODGE WINS SLUGGING MATCH OVER HIBERNIANS

The Lewis Lodge of Elks and the Hibernians had a real slugfest on Leedom's field last evening as a total of twenty-eight runs crossed the plate. Final tabulations were: Elks, 15; Hibernians, 13.

The Hibs had the game in the bag until the seventh when the Elks pushed over five runs to cap the verdict. Prior to this inning, the Hibs had erased a 10-4 lead of the Elks by scoring nine runs.

"Hal" Shackleton was the starting moundman for the losers and gave way to "Norm" Hetherington. "Howie" Keys did the hit work for the Elks. The Hibs had 10 hits while the Lewis Lodge made 12.

Gallagher and Keys started the seventh inning Elks' uprising by drawing walks. "Wes" Keys was given a pass and after Stone singled both Hicks and McCoy struck out. But Dick Campion lambasted a two-bagger to score two more runs and put the game on ice. Campion was put out at third, trying to stretch the hit, Kline to Cooper.

McCoy led the winners at the plate with a double and pair of singles in five trips up. "Chuck" Kline did the best hitting for the Hibs. He had a pair of doubles and two singles. In the nine-run rally in

the sixth, Kline batted twice and delivered safely each time.

Nearly 100 Scouts Arrive at Camp

Continued from Page One

The camp was given a thorough inspection with Dr. A. J. Strathie, chairman of the Camping & Activities Committee, B. K. Overbeck, chairman of the Health & Safety Committee, and Lester Thomas of the Camping Committee. A feature of the program on Saturday evening of this week will be a magic show by radio's Professor Quiz and his wife, after which Professor Quiz will present badges to the scouts who have earned them during the week.

Couple Mark Anniversary; Married 58 Years Ago

POINT PLEASANT, July 8 — The 58th anniversary of the marriage of Mr. and Mrs. Winfield Scott Wood was observed here this week, the 88th birthday anniversary of Mr. Wood being observed at the same time.

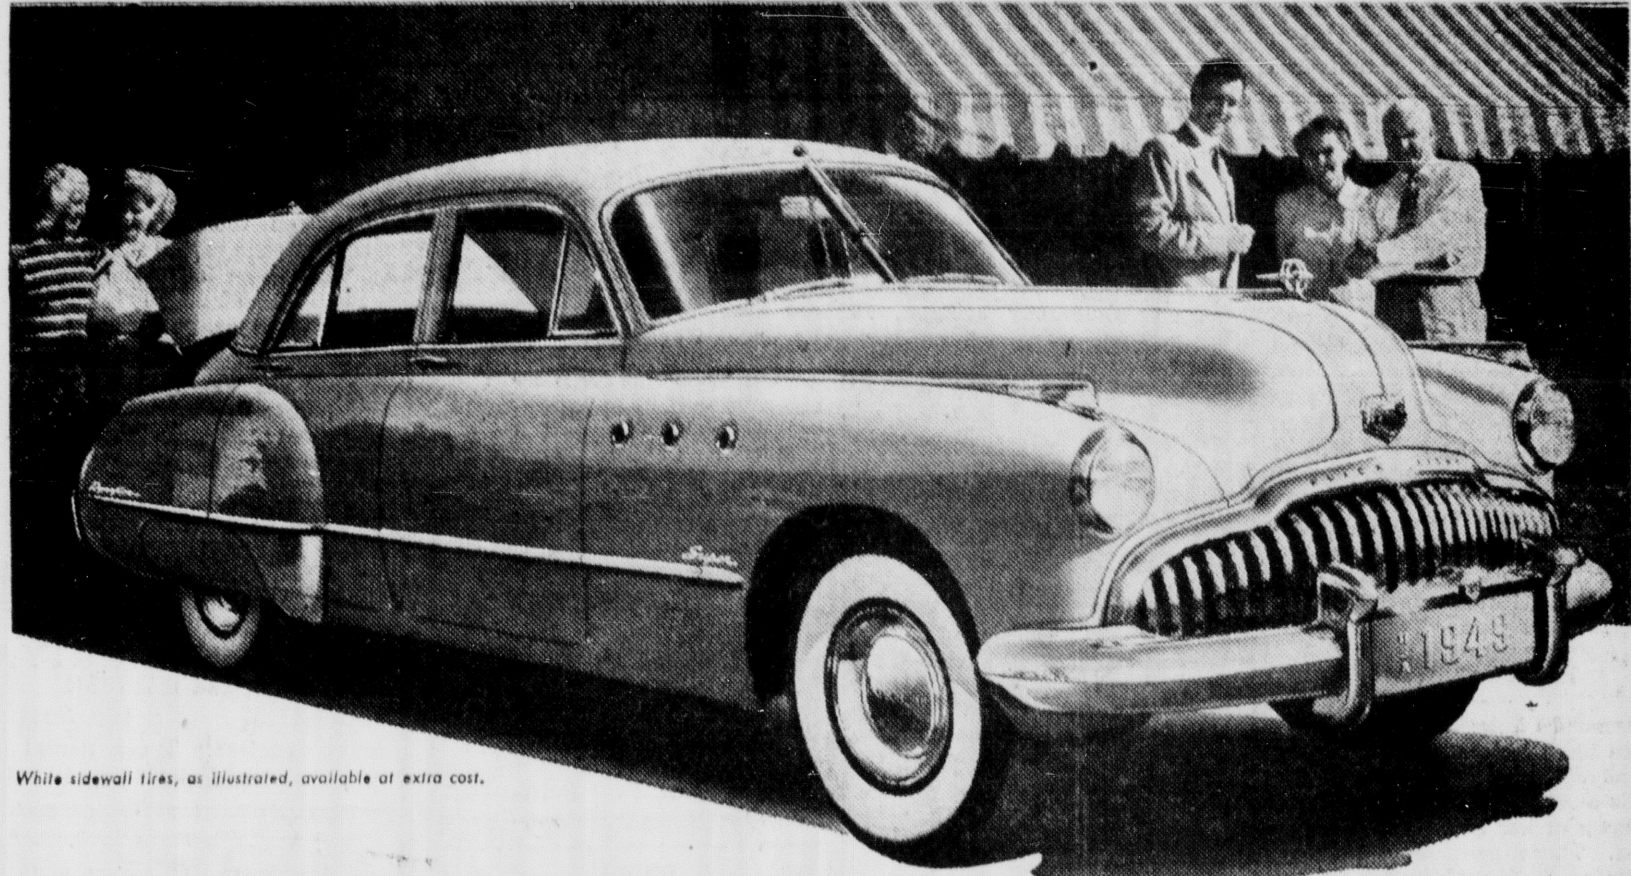

Mr. Wood, who was born in this village, spent his entire life here. For half a century he worked on the Delaware and Lehigh Canal. He started at the age of nine years to drive mules for his brother, Isaac, who operated a boat for the T. M. Muhler freight line. His day began at four o'clock in the morning and ended at 10 o'clock at night.

Among the cargoes carried was limestone, which was brought from

Raubsville to this place to be burned. At the age of 12 he began to work for the Lehigh Coal and Navigation Company, which was extensively engaged in the transportation of coal. He advanced rapidly, and soon became a steerman, and later a captain. Through his long career he traveled the entire length of the canal.

Mrs. Wood, a Gold Star Mother, some years ago visited France to visit the grave of her son, Raymond, who was killed in action during World War I. She made the trip in company with other Gold Star Mothers.

Mr. and Mrs. Wood were married by the Rev. Mr. Bullock, Lambertville, N. J. They had 11 children, four of whom are living.

Good Buy—all around

FRIENDS gather, look over that long Bonnet and wish they had as much Fireball life as you have here.

They size up the broad windshield and narrow corner posts—and don't have to be told how these things step up "see-power."

They appraise the smart styling, the roomy interiors, the usability of luggage space—and agree you've made a buy.

But don't stop, please, with letting them look. Invite them in and introduce them to some of the special pleasures you'll know as a Buick owner.

Show them, for instance, how completely different Dynaflo Drive is, with every mile cushioned by flowing oil and none of the rigid harshness of direct-drive cars.

Let them sample the matchless Buick ride, with all four wheels cradled on soft, coil springs and low-pressure tires made still easier-riding by extra-wide rims.

†Standard on ROADMASTER, optional at extra cost on SUPER models.

Point out how solid this Buick feels. That's what you get from husky frames, low-swung weight, and power delivered through a torque-tube instead of the rear springs.

For the truth is, this Buick's a bargain on much, much more than you can see.

It's a big buy on the solid goodness a demonstration quickly makes plain. On increasingly favorable delivery dates. On attractive price. On the kind of "deal" your Buick dealer makes.

That's why we keep saying "Better see your Buick dealer—and get that order in promptly!"

BUICK alone has all these features

Silk-smooth DYNAFLO DRIVE* • FULL-VIEW VISION from enlarged glass area • SWING-EASY DOORS and easy access • "LIVING SPACE" INTERIORS with Deep-Cradle cushions • Buoyant-riding QUADRUFLUX COIL SPRINGING • Lively FIREBALL STRAIGHT-EIGHT POWER with SELF-SETTING VALVE LIFTERS plus HI-POISED ENGINE MOUNTINGS Low pressure tires on SAFETY-RIDE RIMS • Cruiser-Line VENTIPORTS • DUREX BEARINGS, main and connecting rods • BODY BY FISHER

*Standard on ROADMASTER, optional at extra cost on SUPER models.

When better automobiles are built BUICK will build them

Interested in fishing? Perhaps you will be going for pickerel now that the season is open. Jesus was a friend of fishermen. We can think of Him going from Nazareth over the hills to the sea of Galilee; sitting for hours talking with the men of the sea. Then we see Him later in life walking by the sea saying, "Follow me, and I will make you fishers of men."

Christian friend, how many others have you brought to Christ? You don't need a license and the season is always open.

VETTER SUFFERS HIS 1ST DEFEAT; VOLTZ NINE WINS

"Norm" Vetter, leading hurler of the Bristol Suburban Baseball League, suffered his first defeat last evening as the Voltz-Texaco nine nosed out West Bristol A. C., 5-4, on the Bristol Township field.

Vetter was outpitched by "Bill" McGerr, fast right-hander of the gasmen. Prior to last evening's defeat, Vetter had twirled to four straight victories. McGerr had 9 strikeouts while Vetter struck out five.

The Voltz-men clinched the game by registering a trio of markers in the sixth inning after West Bristol had taken a 4-2 edge in the fourth. Fast stepping by "Mickey" Mandio started the Offlers off to the triumph. Mickey hit a slow roller to the right of the mound which was beat out for a single. Sackville forced Mandio at second. Horace Saxton worked Vetter for his fifth pass. Sackville dented home plate when the lanky McGerr whaled a two-bagger to centerfield. Barney Ludwig put the finishing touches on the ball game by slamming a double along the rightfield line to count both Saxton and McGerr. The next two batters went out.

West Bristol took a 2-0 lead in the second on a single by Earl Wagner, a stolen base, a one-base hit by Harry Saul, a hit by Bernie Stiles, and an error by Pappaterra. A fast throw by Barney Ludwig after the error caught Saul going into third.

Voltz tied the count in the third as Ludwig doubled to right, moved to third on Morrell's hit and scored on Pappaterra's fly to right. Morrell went to third on a wild pitch and scored on an error by Cochran.

The gasmen passed up an opportunity to score in the fourth when Mandio was nailed at the plate on an attempted double-steal. But West Bristol scored twice on a pass to Stiles, Pappaterra's error, a hit by Vetter, a pass to Killian, and a single by Marsh.

The three tallies by Voltz-Texaco decided the game in the sixth.

"Mickey" Mandio had two for two for Voltz although Barney Ludwig's two doubles decided the issue.

SPORTSMEN'S BRIEFS

BY JOE ELBERSON

Don't miss it... the third, big quarterly meeting* of the Bristol Fish & Game Protective Association will be held next Tuesday, July 12th, at the YMCA Building, Mansion street.

The meeting, which will start at 8 p. m., has been carefully planned to give members and their guests an outstanding program.

Headlining the program will be a talk by J. Allen Barrett, director of the division of publicity and public information of the Pennsylvania Fish Commission. Barrett, well known in conservation circles as a writer and speaker, has a message that will appeal to both youngsters and adults.

In addition, there will be movies, prizes, and free refreshments.

Bring yourself, your sportsmen friends and your boys for an evening of fun and entertainment.

Not very good... very low water, exceedingly clear streams, plus exceptionally hot weather not only created an apathy in fish action on the opening day of bass season last Friday, and since that time as well, but also held anticipated angler participation astrait to a minimum. That statement holds generally on practically all streams and lakes in the Commonwealth.

Last year on opening day there was too much water. This year just the opposite condition prevailed. Some fish, and nice ones, have been taken, but few are the fishermen who have returned with their daily creel limit of six.

The upper Neshaminy and Perkiomen have produced several large fish, one reported on the Perkiomen at 22 inches. Locally, the largest bass reported was taken by Dick Chase, Edgely, on opening day in the Canal. It was a four and three-quarter pounder, measuring 19 1/2 inches! The Canal is still the best spot for bass fishing.

Another meeting... next Monday evening the Bucks County Federation of Sportsmen's Clubs will meet in Doylestown, and all club delegates should be in attendance for the several important items of business listed on the docket.

Entries... here are some of the entries in various divisions of the fishing contest conducted annually by the Bristol Fish & Game Protective Association for its members:

Salt Water Division: two entries by Norman M. Morris, one a 22-inch striper weighing four pounds, the other a 31-inch bass weighing 12 1/2 pounds; and a 14-pound, 2-ounce striper entered by John R. Burd.

Non-Game Division: two catfish, 1 1/2 pounds, and 2 and three-quarter pounds, respectively, entered by Carl Morris.

Trout Division: a 15 1/2-inch brown trout, weighing 1 1/2 pounds, entered by the writer.

New trend... in summarizing the recent North American Wildlife Conference, Dr. Gustav Swanson, head of the Cornell Dept. of Conservation, made some significant statements regarding artificial propagation of game. Among them were (1) that eight States in northeastern United States have Federal aid programs designed to improve game habitat on the farm by planting and protecting food and cover; (2) that there is a growing recognition of the limitations of artificial stocking of game; (3) that in Pennsylvania an extensive and expensive stocking of game-farm quail produced no measurable increase in quail while a nearby check area where native quail were protected produced a substantial increase; and (4) that most State game departments are now cooperating closely with the Soil Conservation Districts in putting game management on private lands. These are all pertinent observations and the trend away from game farms is in line with the developments brought about through wildlife research.

TULLYTOWN HITS BALL HARD AND WINS

Tullytown A. C. hit the ball hard last evening as it smothered the Fleetwing Estates ten, 11-3, in a Bristol Softball League game on the latter's field. It was the 17th loss of the season for Estates.

Tullytown had 15 hits in the contest and clinched their scoring in the last frame by scoring five runs. In this stanza, Phil McNatalie cracked out a home run with Norman White on base and Roy Lynch followed shortly after with another four-bagger with Tony Rappo and Stan Carlen on base.

"Norm" White paced the hitters with four singles in four times up. Only Gene Lynch and Lusiano failed to make a hit for the winning team.

The winning peakman was Claude Deitzler who pitched shutout ball until the final inning. In the finale, "Mike" Graveur had a double and Lewis and Chambers followed with hits. Green drew a walk and after Drummel was retired, Harrison hit

into a force-play. The rally netted the Estates' team a trio of markers.

In the other Bristol Suburban Softball League game, No. 1 Fire Company forfeited to the Jefferson A. C. on Memorial Park field. The firemen failed to field ten players.

IN WILL, DIRECTS EARLY CREMATION MINUS A FUNERAL

Manning P. Brown, Late
Of Sellersville R. D.,
Names Widow Heir

THE SHELLEY ESTATE

Herbert Z. Eisenhart Names
Four Children To
Share Property

DOYLESTOWN, July 8.—In the will, Manning P. Brown, Hilltown township, Sellersville R. D., directed that his body be cremated as soon after death as possible, with no casket provided and no plans for a funeral service.

The testator, who wrote his will August 31, 1943, in which he named his widow, Claire A. Brown, the sole beneficiary and executrix, wrote the codicil April 18, 1945. He died June 5 and left a personal estate of \$1,000.

Frank X. Shelley, late County Seat resident, in a holographic will written on one sheet of paper, named his widow, Margaret Shelley, beneficiary of his \$2,000 personal estate. The testator died May 21 and his widow is the executrix. The will was dated October 29, 1928.

With the exception of a box of tools which are in a desk in the blacksmith shop for Henry, four children will share the \$3500 personal and \$5,000 real estate holdings of Herbert Z. Eisenhart, Perkaskie, Henry Eisenhart, 124 South Fourth st., Perkaskie, was named the executor. The testator, who died June 1, and left real estate located at 374 Walnut st., Perkaskie, directed that four children, Maggie Gruver, Lottie Snyder, Henry Eisenhart and Gladys Bergey, should be the heirs. The will was dated June 12, 1942. The testator was a blacksmith for many years at Weisel.

The widow, Mary Ruster, Perkaskie, RD 1, will inherit the \$1,000 personal and \$10,000 real estate holdings of George F. Ruster, Bedminster twp. The will was written Dec. 29, 1939, and the real estate located in Bedminster twp. includes 65 acres. The testator died March 14, his widow also being named executrix of his estate.

Letters of administration in the estate of Anna L. Hinkle, New Britain twp., were granted to Lester Hinkle, Doylestown, RD 1, amounting to a personal estate of \$400 and one-fourth interest in real estate in New Britain twp.

The beneficiaries include three sisters, May Condit, Doylestown, R. D. 1; Rae Hinkle, Chalfont, RD 1, and four brothers, John, Sellersville; Joseph, Doylestown, RD 1; Walter, Silverdale, and Robert, Perkaskie, RD. The decedent died May 28.

Quakertown Electrical System Is Improved

QUAKERTOWN, July 8.—The electrical system of this borough has been augmented by the installation of a third 2,000-kilowatt hour turbine.

John K. Boorse, borough secretary and chairman of the lighting committee, who reported that the new machine has been put into operation, said the cost of alterations to accommodate the additional equipment amounted to close to \$150,000.

The turbine, which was ordered by the borough two years ago, has been needed so that necessary repairs can be made to the two other machines.

Mr. Boorse said the turbine can be operated for 10 years without repair.

HERE AND THERE IN BUCKS COUNTY TOWNS

Activities of Interest To All in The Various Communities

GLEANED BY SCRIBES

Funeral was held this week for Jacob K. Esser, 65, well-known Sellersville business man, who died Sunday in Quakertown hospital.

A native of Lexington, he was the son of the late John and Kate Kietzing Esser. He moved to Sellersville 42 years ago. For 33 years he conducted a newspaper agency at Sellersville. He was active in the business until his illness. A member of the St. Michael's Lutheran Church, Sellersville, he was active in the Amford and Harleysville Beneficial Societies. In his youth, Mr. Esser was well known as a baseball player in the North Penn area.

He is survived by his wife, Dora; a daughter, Mrs. James Minucci; a son, Jacob Esser, Quakertown; a brother, John Esser, Quakertown, and three grandchildren.

Almost 2,000 residents of Quakertown and nearby points participated in the Independence Day celebration, when the children's wading pool in Memorial Park was dedicated.

The pool, dedicated in memory of those who died during World War I and II, was sponsored by the Rotary Club. The dedicatory address was by Ray Z. Hartman, president of the club.

Remarks regarding the general construction of the pool were made by Richard Strayer, superintendent of the recreation program in the borough, who also announced a set of regulations which have been adopted. According to the rules, children up to 12 years of age may use the pool, providing those under six are accompanied by an older person. The dedication was followed by a lollipop scramble.

Abraham Woler Plans A Journey to Israel

A trip to his native land is to be made by Abraham Woler, Mill street merchant. Mr. Woler will leave LaGuardia Airport, New York, on Sunday evening for Israel where he will remain for a month.

When Mr. Woler resided in that part of the world during his youth it was known as Palestine. He came to the United States 28 years ago.

This is his first trip back to his native land. He plans to visit his home city, Tel Aviv, and to spend the month with his brother, and with brothers-in-law and sisters-in-law in Israel. The locale will land at Lydda Airport in Israel.

VOTED PERMIT FOR A PUBLIC AUCTION

Morrisville Board Favors
Application of Jacob
Schese

OUTLINES REASONS

MORRISVILLE, July 8.—A permit was voted issued, last night, to Jacob Schese, Woodburn, to operate a public auction on property which he owns at E. Bridge and S. Delmore ave. The Morrisville Board of Adjustment held a hearing upon the subject in borough hall.

The hearing evolved after the board, upon the advice of Borough Council, rescinded a former permit on the ground that this type of business was not covered in the borough's zoning ordinance.

Opposition to granting the permit was led by E. Dilwyn Darlington, counsel for the Morrisville Business Men's Association, and several members of the group. They contended that the auction constituted a safety hazard in adding to the traffic congestion on the streets bounding the property. The question of unfair tax assessments also was brought out.

Dr. Ralph Fox, chairman of the adjustment board, said that the board could not consider matters of traffic congestion, unfair tax assessments or safety hazards in reaching its decision because they were problems for the police and other borough departments and out of the board's jurisdiction.

"Our only concern is whether the business in question is legitimate or obnoxious to the community," he said.

HOLIDAY PICNIC

The Holy Name Society of St. Michael's Mission, Torresdale, held a Fourth of July picnic and "dog-gie" roast on the farm of Mrs. Gertrude Obiedzenski, Rogers road. Entertainment included quills, pinocle games, baseball game for the younger boys, and featuring a game between the husband and wives. Each family took a basket lunch. The Society furnished the beverage and "hot dogs." The affair was greatly enjoyed by the 200 attending including the pastor, the Rev. George Wierzalis.

ATTENDING CONVENTION

CROYDON, July 8.—The 25th annual convention of the Veterans of Foreign Wars Women's Auxiliaries is being held in the Benjamin Franklin Hotel, Philadelphia, July 7th, 8th and 9th. Past presidents of Schumacher Post, Mrs. George Pence, Cornwells Heights, and Mrs. Herman Pluma have been selected as delegates to the convention sessions.

NEW POLICE CALL SYSTEM IS NECESSARY

Perkasie Council Advised
That Change Will Have
To Be Made

COMMITTEE IS NAMED

PERKASIE, July 8.—It was revealed at a meeting of the borough council that a new system of calling police in an emergency, at night, will have to be devised. The change is due to a change in the town's electric system.

Presenting a report for the electric light committee, Fred Weaver announced the installation of a third transformer to equalize the load on the two other transformers. The new transformer is equipped with what is known as automatic photo cells. These turn off and on the street lights automatically.

Henceforth when the services of the police were required at night, the street lights were blinked, but with the installation of the new transformer, blinking of the street lights is impossible.

A committee was appointed to look into the matter of providing a two-way telephone system for the police cars.

PINOCLE PARTY

A pinocle party will be held Tuesday afternoon at the home of Mrs. Frank Hampton, 396 Buckley street, benefit of Bristol Chapter, American War Mothers. The time is 1:30.

Bird Loses Out

(By "The Stroller")

Attention of passerby was attracted at the corner of Mill and Radcliffe streets yesterday to a lifeless bird perched on the lower part of the windshield wiper of an automobile.

Although the bird had evidently struck with sufficient force to kill it, the windshield was not broken.

Its wings were outspread against the glass, giving the appearance of a stuffed bird.

LAST MONTH DRIEST JUNE SINCE 1888

According to Recordings of
Rohm & Haas Co., Only
.06 Inch of Rain

MERCURY REACHES 97

According to Rohm & Haas Co. physics laboratory, June of this year was the driest June for this area in the period the company has been making such recordings. The records go back to 1888. Last month only .06 of an inch of rain fell in this vicinity. Another dry June for this area was chalked up in 1913, when only .68 of an inch of precipitation was recorded.

Temperatures yesterday were more pleasant after a light rainfall. The maximum temperature recorded yesterday was 80, with a minimum of 58, giving a range of 22 degrees. The highest temperature was recorded at five p. m., yesterday.

Propose New Members For Cornwells Company

CORNWELLS HEIGHTS, July 8.—Forty-one attended the meeting of Cornwells Fire Co., No. 1, last evening, in the fire station. Five new members were proposed.

A new fire station building project was discussed.

The chief reported two house fires, three grass fires and two automobile fires in June.

Motion pictures of the county firemen's parade were shown by Samuel Lockard.

Not Authorized to Solicit Ads. for Police Ass'n Here

According to the Bristol police an unidentified man has been soliciting advertisements in this area, presumably for the Fraternal Order of Police.

The Bristol police have not authorized any such solicitation, and request all persons approached to inform the police at once.

Swim Program To Start At Silver Lake, Monday

The "Learn to Swim" program, sponsored by Bristol Y. M. C. A. and Bristol Chapter of the American Red Cross, will get under way at two p. m. on Monday, July 11th, on the north shore of Silver Lake.

"Since we have no control over the Neshaminy Creek or Silver Lake we cannot be responsible for the condition of these swimming facilities," state officials of the YMCA and the Red Cross. "We feel the need of these classes because of the great number of drownings that occur each year in this area."

Any who have not as yet made reservation may do so by calling J. Bloom, Bristol 4805.

AUTHORIZE NAMING OF WORKER FOR BLIND

An Experienced Prevention
Worker To Be Employed
In Bucks County

A BIG STEP FORWARD

DOYLESTOWN, July 8.—The appointment of an experienced blindness prevention worker for Bucks County was authorized at a meeting of the officers and directors of the Bucks County Branch of the Pennsylvania Association for the Blind.

This is considered a decided step forward in the progressive program for the blind in Bucks county that has been under the direction of C. William Lohler, executive director, going on the fifth year.

The meeting was held at the Bucks County Branch headquarters on South Main street, and was well-attended by officers and board members, and presided over by the president, Frank L. Worthington. President Worthington stated that it has been the goal of Executive Director Lohler and his workers to be able to add a fully-equipped blindness prevention worker to the staff.

The new staff member will most likely be a trained nurse. Her duties will be to visit schools, factories and work entirely along the lines indicated.

Board members were informed that by saving a person from becoming blind, the people of the county are saved approximately \$40,000, the amount that it costs to keep a blind person over his life expectancy.

Attending the meeting was Norman Foote, of New Jersey, founder of the Foote System of raising contributions annually for the blind. The Bucks County Branch renewed their contract with Mr. Foote for the coming year.

Various reports submitted show that the Bucks County Branch is making rapid progress and is doing an unusual amount of fine work with the blind of the county.

NEARLY 100 SCOUTS ARRIVE AT CAMP

Fourth of July Celebration
Featured by Many
Events

VESPER SERVICE HELD

Camp Ockanickon, the Bucks County Council Boy Scout Camp at Point Pleasant was busy place when 98 Scouts and nine leaders from eight Troops of the Council arrived at camp.

After checking in, vesper service and the evening meal, a campfire was held at which the members of the staff were introduced and they told of their duties and responsibilities in camp. This was followed by songs and a campfire by Ralph Stouff.

The Fourth of July celebration was featured by a rope spinning demonstration by Lester Thomas of the Camping Committee, the Water Carnival, and a series of scoutcraft events. Monday morning a patriotic opening for the camp day was carried out in keeping with the National holiday. The afternoon swimming period was broken up by a wind and rainstorm which demolished the nature tent and straw tent but did not affect any of the tents of campers.

The afternoon series of events was won by Carversville Tr. 64, under the direction of Scoutmaster Charles Hargens and the water carnival, Monday evening was won by Buckingham Tr. No. 59, with Samuel Leaver as Scoutmaster with Tr. 53, Edgely, in second place and Sellersville No. 1 in third place.

4 NEW TEACHERS ARE SIGNED FOR BRISTOL TOWNSHIP

The Misses Leonard and
Stridinger, and Theodore
Kratzke Resign

GIVE COAL CONTRACT

The New Salary Schedule Is
Adopted; File Application
With Building Authority

Four new teachers were engaged by Bristol township school directors when they met for the July business meeting in the junior high school building, last evening. There were three teacher resignations accepted.

Those who will teach in the township for the first time during the 1949-50 term are: Thomas Jenkins, mathematics and psychology; Irene Kochera, mathematics and French; Kenneth Harrold, mechanical drawing and science; Mrs. Dorothy Bixler, Latin, French, Spanish and English. The three first mentioned are all graduates of Pennsylvania State College. Mrs. Bixler is from Palmyra, Pa.

Those who resigned from the faculty are: Miss Frances C. Leonard, Edgely school; Miss Margaret Stridinger, art teacher in the township; Theodore H. Kratzke, shop instructor at the junior high school.

Harry Barth presided, there being but one absentee. Robert Cameron, tax collector, was exonerated from collection of the 1948-49 duplicate; and was appointed delinquent tax collector for the 1949-50 school term.

Contract for bids for coal for the next term was awarded Artesian Coal Company. Five bids for fuel oil were received. Decision as to this award will be made after contract technicality has been cleared up.

A revised salary schedule for teachers was adopted. This was made necessary under Pennsylvania Act 542, which increased the mandatory limit on teachers' salaries from \$50 to \$100 per year.

The secretary was instructed to file application to the State Public School Building Authority. The legislature created the authority for the purpose of constructing, improving, maintaining and operating public school buildings. These facilities are leased by the authority to the school district at an annual rental not exceeding 40 years.

The architect in charge of erecting additions at township schools was in attendance. The addition to the junior high school building is expected to be finished early in August. Edgely addition was reported about completed and is expected to be ready for occupancy in September. Maple Shade addition is said to be practically completed.

Begley Installed As President of Rotary Club

Installation of new officers for the coming year, conference reports a special gavel presentation, and the introduction of one new member highlighted the meeting of the Rotary club at the Elks' Home yesterday afternoon.

William J. Begley, local banker and attorney, was installed as the new club president, succeeding retiring president Warren H. Woodruff. The retiring president was presented with a past-president's pin by Emil Metzger.

Prior to the installation of the new president a gavel of historical import was presented by George Ardrey to the club. The gavel, made by Ardrey, came from a section of the flagpole upon which Abraham Lincoln raised a flag in Philadelphia after being delayed on his trip to Washington for his inauguration. The gavel was accepted by Woodruff for the club and then turned over to president Begley.

Following his installation as president Begley gave an interesting report on the recent district conference of Rotary clubs, held at Beaver College.

A former member, as well as a former president of the Bristol Club E. L. Helwig, now a member of the Philadelphia Rotary Club, introduced the new member, W. B. McClure, plant manager of the Bristol plant of the Rohm & Haas Company.

Other new officers of the local club include: Raymond J. Sobatzki, first vice-president; Harold N. Crooker, second vice-president; Telford F. Eppley, secretary; and Emil Metzger, treasurer. Two new directors, Harold E. Hanson and John T. Leonard, were also introduced, as was the new sergeant-at-arms, John C. Black.

Guests were present for the luncheon session from Bristol, Newtown, Morrisville, Philadelphia and Ambler.

LIFEGUARDS SAVE DROWNING DEER

CHASED INTO PACIFIC OCEAN waters by dogs, an exhausted and frightened three-point buck deer is rescued and given oxygen through a rubber mask by Santa Monica, Calif., lifeguards Bruce Kidder, Alfred Hart and Eddie Hoffman. The strange rescue was staged when the animal, too tired to swim, collapsed. Resuscitated by artificial respiration, the deer was returned to his native hills. (International)

To Seek Dismissal of Indictment of Coplon

New York.—Archibald Palmer, lawyer for Judith Coplon, convicted of trying to spy on the U. S. for Soviet Russia, said today he will move Monday for dismissal of the espionage indictment now hanging over his client's head. Palmer said he would argue for dismissal on the ground that FBI agents "testified they never saw anything pass" between Judy and Valentin Gubitchev, Russian engineer employed by the U. N., who will stand trial with her.

Hiss Jury Resumes Deliberations

New York.—The Alger Hiss jury, deadlocked for more than five hours last night, resumed today its deliberations on whether the former State Department official passed secret information to a pre-war Soviet spy ring.

A WORLD OF ULCERS

The man who climbs too high makes a good target for lightning to strike, the poet Aeschylus wrote 2,400 years ago. There is plenty of evidence today of how right he was. The late Secretary Forrestal is the most recent example that comes to mind.

More and more persons are victims of hypertension — which reveals itself in such forms as ulcers and other digestive disturbances, arthritis and cancer, heart and circulatory disorders. Hypertension is common in private life, but public men seem particularly susceptible to it.

As General Marshall remarked not long ago: "Ulcers have had a strange effect upon the history of our times. In Washington I have had to contend with, among other things, the ulcers of Bedell Smith in Moscow and the ulcers of Bob Lovett and Dean Acheson in Washington."

He might have mentioned his own retirement, which was caused by another of the manifestations of hypertension. Or he might have mentioned almost any of the national figures he had to deal with as Secretary of State. Among those who are suffering or have suffered from one or another form of hypertension, writes a Washington correspondent, are Stalin, Bevin, Vishinsky, Warren Austin, Herschel Johnson, Eisenhower, Attlee, Queuille, Schuman, Molotov, de Gasperi, Gromyko, Hull, Welles, Stettinius and General Clay. When the Big Four sat at table in Paris, there was hardly an item on the menu that all four could eat or drink.

At that, the sickness is probably less in the men than in the world they have to deal with. Can statesmen stay hale in a world diseased?

DANGER IN LIGHTS

William S. Dutton, writing in Collier's, makes a poor case for traffic signals so far as saving life is concerned. Describing a 15-year test just completed in Wilmington, Del., in which 1,600 intersections were studied, Dutton reports that the danger ratio at light-controlled crossings, in terms of deaths, was more than eight times higher than at unmarked and unguarded crossings.

Both the number and severity of accidents grew as traffic controls moved up from none to slow signs, to stop signs, to lights.

For every one death at unguarded intersections, there were 2.27 at crossings marked slow, 3.51 at stop streets. It was discovered that natural human caution vanished when there were mechanical safeguards.

Motorists at light-controlled intersections seemed to take it for granted that all drivers would obey the signals, not taking into consideration the possibility of someone not seeing a light change, or ramming through the intersection on the red light.

Lights cannot do the thinking for the drivers who pass them. Mr. Dutton concludes that green lights, intended to be signals for safety, really mean danger.

CHAPLAIN INTERNE TO AID IN SERVICE, EDDINGTON CHURCH

William Heffner, a senior in the Virginia Theological Seminary and president of the student body there, will take the first part of the morning prayer service at Christ Church Eddington, at 11 o'clock on Sunday morning. Mr. Heffner is seminary assistant at St. Margaret's Church, Washington, D. C. At present he is a chaplain interne in the Episcopal Hospital, Philadelphia, engaged in a second summer of specialized hospital work.

Mr. Heffner, a Pennsylvanian by birth, has since become a resident of Richmond, Va. He is a graduate of the College of William and Mary in Williamsburg, Va. During the war he served in the U. S. Navy in the Pacific theatre where he became the commanding officer of an LST.

A pilgrimage through the hymnal will keynote this Sunday's service at Christ Church. Developed around the theme of "Christian Joy" the service will be the first one in which the hymn of the month will be introduced. Under the pilgrimage plan the congregation will learn a new hymn every month. The Rev. Mr. Powell will tell briefly something of the history and inspiration of each hymn of the month.

Services at Christ Church will include: 8:40 a. m. Holy Communion; 9:45, Church School; 11, morning prayer and sermon by the Rev. Stanley Powell, Jr.

LEWIS LODGE WINS SLUGGING MATCH OVER HIBERNIANS

The Lewis Lodge of Elks and the Hibernians had a real slugGING match on Leedom's field last evening as a total of twenty-eight runs crossed the plate. Final tabulations were: Elks, 15; Hibernians, 13.

The Hibs had the game in the bag until the seventh when the Elks pushed over five runs to cop the verdict. Prior to this inning, the Hibs had erased a 10-4 lead of the Elks by scoring nine runs.

"Hal" Shackleton was the start-up moundman for the losers and gave way to "Norm" Hetherington. "Howie" Keys did the hill work for the Elks. The Hibs had 10 hits while the Lewis Lodge made 12.

Gallagher and Keys started the seventh inning Elks' uprising by drawing walks. "Wes" Keys was given a pass and after Stone singled both Hicks and McCoy struck out. But Dick Campion lambasted a two-bagger to score two more runs and put the game on ice. Campion was put out at third, trying to stretch the hit, Kline to Cooper.

McCoy led the winners at the plate with a double and pair of singles in five trips up. "Chuck" Kline did the best hitting for the Hibs. He had a pair of doubles and two singles. In the nine-run rally in

the sixth, Kline batted twice and delivered safely each time.

FLANNERY'S WIN OVER EDGELY A. C.

Flannery's Eagles of Pennell won their fourth consecutive triumph of the second half of the Bristol Suburban League last evening with a 7-4 win over Edgely A. C. on Memorial Park field.

Superb hurling by Dale Miller and fine fielding accounted for the Eagles' triumph. Miller held the Edgelyites to three hits and would have scored a whitewash but for a streak of wildness and two errors in sixth canto.

"Tommy" Pursell, rightfielder for the winners, connected for a home run in the sixth inning with Lukens on base. Lukens had reached base by singling to left.

Johnny Pindar accounted for two of the Edgely markers with a single to left.

Edgely used three hurlers in the tilt. "Jake" Accardi, Dick Harmon, and Al Doster tried to stop the hitting for the Pennell nine.

Couple Mark Anniversary; Married 58 Years Ago

POINT PLEASANT, July 8 — The 58th anniversary of the marriage of Mr. and Mrs. Winfield Scott Wood was observed here this week. Mr. Wood being observed at the same time.

Mr. Wood, who was born in this

village, spent his entire life here. For half a century he worked on the Delaware and Lehigh Canal. He started at the age of nine years to drive mules for his brother, Isaac, who operated a boat for the T. M. Muhler freight line. His day began at four o'clock in the morning and ended at 10 o'clock at night.

Among the cargoes carried was limestone, which was brought from

Raubsville to this place to be burned. At the age of 12 he began to work for the Lehigh Coal and Navigation Company, which was extensively engaged in the transportation of coal. He advanced rapidly, and soon became a steerman, and later a captain. Through his long career he traveled the entire length of the canal.

Mrs. Wood, a Gold Star Mother, some years ago visited France to visit the grave of her son, Raymond, who was killed in action during World War I. She made the trip in company with other Gold Star Mothers.

Mr. and Mrs. Wood were married by the Rev. Mr. Bullick, Lambertville, N. J. They had 11 children, four of whom are living.

Good Buy - all around

FRIENDS gather, look over that long bonnet and wish they had as much Fireball life as you have here.

They size up the broad windshield and narrow corner posts—and don't have to be told how these things step up "see-power."

They appraise the smart styling, the roomy interiors, the usability of luggage space—and agree you've made a buy.

But don't stop, please, with letting them look. Invite them in and introduce them to some of the special pleasures you'll know as a Buick owner.

Show them, for instance, how completely different Dynaflo Drivet is, with every mile cushioned by flowing oil and none of the rigid harshness of direct-drive cars.

Let them sample the matchless Buick ride, with all four wheels cradled on soft, coil springs and low-pressure tires made still easier-riding by extra-wide rims.

†Standard on ROADMASTER, optional at extra cost on SUPER models.

Point out how solid this Buick feels. That's what you get from husky frames, low-swung weight, and power delivered through a torque-tube instead of the rear springs.

For the truth is, this Buick's a bargain on much, much more than you can see.

It's a big buy on the solid goodness a demonstration quickly makes plain. On increasingly favorable delivery dates. On attractive price. On the kind of "deal" your Buick dealer makes.

That's why we keep saying "Better see your Buick dealer—and get that order in promptly!"

BUICK alone has all these features

Silk-smooth DYNAFLO DRIVE* • FULL-VIEW VISION from enlarged glass area • SWING-EASY DOORS and easy access • "LIVING SPACE" INTERIORS with Deep-Cradle cushions • Buoyant riding QUADRUFLUX COIL SPRINGING • Lively FIREBALL STRAIGHT-BIGHT POWER with SELF-SETTING VALVE LIFTERS plus HI-POISED ENGINE MOUNTINGS • Low pressure tires on SAFETY-RIDE RIMS • Cruiser-Line VENTIPORTS • DUREX BEARINGS, main and connecting rods • BODY BY BUICK

*Standard on ROADMASTER, optional at extra cost on SUPER models.

Interested in fishing? Perhaps you will be going for pickered now that the season is open. Jesus was a friend of fishermen. We can think of Him going from Nazareth over the hills to the sea of Galilee; sitting for hours talking with the men of the sea. Then we see Him later in life walking by the sea saying, "Follow me, and I will make you fishers of men."

Christian friend, how many others have you brought to Christ? You don't need a license and the season is always open.

VETTER SUFFERS HIS 1ST DEFEAT; VOLTZ NINE WINS

"Norm" Vetter, leading hurler of the Bristol Suburban Baseball League, suffered his first defeat last evening as the Voltz-Texaco nine nosed out West Bristol A. C. 5-4, on the Bristol Township field.

Vetter was outpitched by "Bill" McGerr, fast right-hander of the gasmen. Prior to last evening's defeat, Vetter had twirled to four straight victories. McGerr had 9 strikeouts while Vetter struck out five.

The Voltz-men clinched the game by registering a trio of markers in the sixth inning after West Bristol had taken a 4-2 edge in the fourth. Fast stepping by "Mickey" Mandio started the Oilers off to the triumph. Mickey hit a slow roller to the right of the mound which was beat out for a single. Sackville forced Mandio at second. Horace Saxton worked Vetter for his fifth pass. Sackville dented home plate when the lanky McGerr whaled a two-bagger to centerfield. Barney Ludwig put the finishing touches on the ball game by slamming a double along the rightfield line to count both Saxton and McGerr. The next two batters went out.

West Bristol took a 2-0 lead in the second on a single by Earl Wagner a stolen base, a one-base hit by Harry Saul, a hit by Bernie Stiles, and an error by Pappaterra. A fast throw by Barney Ludwig after the error caught Saul going into third.

Voltz tied the count in the third as Ludwig doubled to right, moved to third on Morrell's hit and scored on Pappaterra's fly to right. Morrell went to third on a wild pitch and scored on an error by Cochran.

The gasmen passed up an opportunity to score in the fourth when Mandio was nailed at the plate on an attempted double-steal. But West Bristol scored twice on a pass to Stiles, Pappaterra's error, a hit by Vetter, a pass to Killian, and a single by Marsh.

The three tallies by Voltz-Texaco decided the game in the sixth.

"Mickey" Mandio had two for two for Voltz although Barney Ludwig's two doubles decided the issue.

SPORTSMEN'S BRIEFS

BY JOE ELKERSON

Don't miss it—the third, big quarterly meeting* of the Bristol Fish & Game Protective Association will be held next Tuesday, July 12th, at the YMCA Building, Mansion street.

The meeting, which will start at 8 p. m., has been carefully planned to give members and their guests an outstanding program.

Headlining the program will be a talk by J. Allen Barrett, director of the division of publicity and public information of the Pennsylvania Fish Commission. Barrett, well known in conservation circles as a writer and speaker, has a message that will appeal to both youngsters and adults.

In addition, there will be movies, prizes, and free refreshments.

Bring yourself, your sportsman friends and your boys for an evening of fun and entertainment.

Not very good... very low water, exceedingly clear streams, plus exceptionally hot weather not only created an apathy in fish action on the opening day of bass season last Friday, and since that time as well, but also held anticipated angler participation astream to a minimum. That statement holds generally on practically all streams and lakes in the Commonwealth.

Last year on opening day there was too much water. This year just the opposite condition prevailed. Some fish, and nice ones, have been taken, but few are the fishermen who have returned with their daily creel limit of six.

The upper Neshaun and Perkiomen have produced several large fish, one reported on the Perkiomen at 22 inches. Locally, the largest bass reported was taken by Dick Chase, Edgely, on opening day in the Canal. It was a four and three-quarter pounder, measuring 19 1/2 inches! The Canal is still the best spot for bass fishing.

Another meeting... next Monday evening the Bucks County Federation of Sportsmen's Clubs will meet in Doylestown, and all club delegates should be in attendance for the several important items of business listed on the docket.

Entries... here are some of the entries in various divisions of the fishing contest conducted annually by the Bristol Fish & Game Protective Association for its members:

Salt Water Division: two entries by Norman M. Morris, one a 25-inch striped weighing four pounds, the other a 31-inch bass weighing 12 1/2 pounds; and a 14-pound, 2-ounce striped entered by John R. Burd.

Non-Game Division: two catfish, 1 1/2 pounds, and 2 and three-quarter pounds, respectively, entered by Carl Morris.

Trout Division: a 15 1/2-inch brown trout, weighing 1 1/2 pounds, entered by the writer.

New trend... in summarizing the recent North American Wildlife Conference, Dr. Gustav Swanson, head of the Cornell Dept. of Conservation, made some significant statements regarding artificial propagation of game. Among them were (1) that eight States in northeastern United States have Federal aid programs designed to improve game habitat on the farm by planting and protecting food and cover; (2) that there is a growing recognition of the limitations of artificial stocking of game; (3) that in Pennsylvania an extensive and expensive stocking of game-farm quail produced no measurable increase in quail while a nearby check area where native quail were protected produced a substantial increase; and (4) that most State game departments are now cooperating closely with the Soil Conservation Districts in putting game management on private lands. These are all pertinent observations and the trend away from game farms is in line with the developments brought about through wildlife research.

TULLYTOWN HITS BALL HARD AND WINS

Tullytown A. C. hit the ball hard last evening as it smothered the Fleetwing Estates ten, 11-3, in a Bristol Softball League game on the latter's field. It was the 17th loss of the season for Estates.

Tullytown had 15 hits in the contest and clinched their scoring in the last frame by scoring five runs. In this stanza, Phil McNatale cracked out a home run with Norman White on base and Roy Lynch followed shortly after with another four-bagger with Tony Rappo and Stan Carlen on base.

"Norm" White paced the hitters with four singles in four times up. Only Gene Lynch and Lusclano failed to make a hit for the winning team.

The winning peakman was Claude Deitzler who pitched shutout ball until the final inning. In the finale, "Mike" Graveur had a double and Lewis and Chambers followed with hits. Green drew a walk and after Drummel was retired, Harrison hit

into a force-play. The rally netted the Estates' team a trio of markers. In the other Bristol Suburban Softball League game, No. 1 Fire Company forfeited to the Jefferson A. C. on Memorial Park field. The firemen failed to field ten players.

Never, never has there been such a sale! Up to 50% off on America's favorite patterned shirts—by America's top shirtmaker, Arrow!

And what shirts these are! Every one is a brand-new creation, specially styled for the Spring '49 season—made to sell at far more than this drastic sale price!

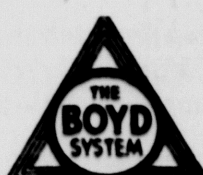

There's a fabulous variety of colors and patterns — a wide selection of the famous Arrow Collar styles, designed to flatter every face!

Each has the Sanforized label that means not-a-chance of shrinking out of fit! Each has Mitoga, Arrow's form-following fit. Anchored buttons.

The reason for this great sale is an overstocked condition. But the sale is for a limited time only. So don't miss this chance of a lifetime to get Arrow Patterned Shirts at these remarkable savings! Come in today!
